### Sections of the Code considered

#### 3.1. Professional and lawful conduct

3.1.1. Members will at all times conduct themselves in a professional manner in their dealings with the public, customers, other wireless application service providers and WASPA.

## 11.2. Subscription process

11.2.1. Customers may not be automatically subscribed to a subscription service as a result of a request for any non-subscription content or service. Customers may not automatically be subscribed to a subscription service without specifically opting in to that service.

11.2.5. Where a subscription service is initiated by a user replying to a message from a service provider where that message contains instructions for activating a service and/or where that message contains an activation code that when inputted by the user activates a subscription service, then that message, along with the subscription initiation instructions and/or activation code, must also include the subscription service information in the following format, flow and wording:

[service activation instructions and/or activation code]. You'll be subscribed to [XYZ service] from [name of service provider] at [cost of service and frequency of billing].

## 11.6. Reminder messages

11.6.1. A monthly reminder SMS must be sent to all subscription service customers. This reminder must be sent within 30 days of the initial notification message, and once per calendar month thereafter. The customer may not be charged for these reminder messages.

11.6.2. The reminder messages specified in 11.6.1 must adhere exactly to the following format, flow, wording and spacing:

Reminder: You are subscribed to [name of service provider] [content/service description]. Cost [cost of service and frequency of billing]. SMS HELP [optional keyword] to [short code]/call [call centre number + "(VAS)" if applicable]. To unsub, sms STOP [service keyword] to [short code].

or

Reminder: You are subscribed to [name of service provider] [content/service description]. Cost [cost of service and frequency of billing]. For help call [call centre number + "(VAS)" if applicable]. To unsub, sms STOP [service keyword] to [short code].

11.6.3. The entire reminder message must be sent in a single SMS, may not contain any line breaks or carriage returns and may not include any additional characters other than those specified in 11.6.2.

11.6.4. The content/service description must be text describing the content, promotion or service (e.g. "tones" or "poems"). This text must not be worded in a way that attempts to deceive or mislead the customer from the purpose of the reminder which is to inform the user that they are subscribed to a service.

11.6.5. The cost of service and frequency of billing must use the format "RX/day", "RX/week" or "RX/month" (or RX.XX if the price includes cents). No abbreviations of "day", "week" or "month" may be used.

11.6.6. The text "(VAS)" must be included after any VAS-rated phone number. It does not need to be included after phone numbers which are not VAS-rated.

11.6.7. Members must test reminder messages on a range of phones to ensure that all characters and lines are displayed identically.

### **11.10. Subscription service directory and logs**

11.10.2. When requested to do so by WASPA, a member must provide clear logs for any subscription service customer which include the following information:

1. proof that the customer has opted in to a service or services;
  2. proof that all required reminder messages have been sent to that customer;
  3. a detailed transaction history indicating all charges levied and the service or content item applicable for each charge; and
  4. any record of successful or unsuccessful unsubscribe requests.

### **Decision**

The SP failed to respond. Although the complainant did not request that proof of subscription be provided it appears from the complaint that the complainant alleges that he never subscribed to the service.

In that the SP failed to respond at all, I can only consider the information provided by the complainant together with the history of the SP. I can in good conscience do nothing other than find the SP guilty of contravening the Code of Conduct.

### **Sanctions**

Due to the fact that in the time that has lapsed between this complaint being sent for adjudication and this decision being made the SP has been sanctioned in terms of cases 10549 and 10822 my hands are tied and I am accordingly bound by those decisions and the sanctions therein.
